Please note that when you apply to this role, your name will be shared with the Higher Education Institute (HEI) running the course. If you apply to this job, you are giving permission that information relevant to establishing eligibility can be shared between the HEI and the Service. No irrelevant information will be disclosed or discussed.

As these are training positions, please be aware that this is a dual application process where you must be employed in a Recruit to Train funded job to also receive a place on the course, and vice-versa. If you are ineligible for the University Course, we will be unable to offer the role. If you withdraw from an employment offer but you have accepted a university offer, you will be unable to join the course. **You must apply to the course at the same time as this job.**
